

# NAMDET Annual Conference 2017

*'Improve safety through a competency approach'*

## Birmingham Conference & Events Centre

Over 125 delegates, 16 key exhibitors, speakers from the CQC, West Yorkshire Coroner, Medical Device Industry, CME Medical, Health Education England, Clinical Quality Nurse & Head Nurse Pennine Acute NHS Trust, Egton Digital, update on 'medical reps and trainers credentialing', Namdet's national projects and introducing our new management board.

A 3 course evening meal/gala dinner is also arranged at the venue for those staying over the night before the conference, so why not take the opportunity to meet up with other namdet members and industry colleagues in a relaxed atmosphere.

**Book now to avoid disappointment, visit [www.namdet.org](http://www.namdet.org) for details**

2ND  
NOVEMBER  
2017

<https://www.thebcec.co.uk/>

This year's theme will look at how industry, regulators and the NHS approach safety and competency for medical device training
