

NAMDET Annual Conference 2019

'Training, Risk and Governance: Sharing what we know'

York Racecourse Conference Centre 14th November

Spaces for 150 delegates and 20 key exhibitors. NAMDET members will also be sharing their projects. Speakers from MHRA, NHSI, Industry, NHS Scotland and medical equipment companies will share their insights and how training for medical devices takes centre stage. Being held in the historic city of York at the spacious York Racecourse Conference Centre. Easy access and plenty of on-site parking. Great access (taxi or bus) from the main railway station.

Our 3 course evening network dinner on Wednesday 13th November is being held at the Marriott Hotel, near the racecourse. There are plenty of other hotels along Tadcaster Road to accommodate all sorts of budgets. Please book your own hotel direct. There is a special rate for those staying at the Marriott Just quote NAMDET when booking.

Book early to avoid disappointment, visit www.namdet.org to book your place and for all your delegate, exhibitor and conference details
