

‘Educating the Educators Workshop’

2pm – 4pm, *The Atrium Meeting Room, Marriott Hotel*

Tadcaster Road, York YO24 1QQ

Wednesday 13th November 2019

As Medical Device Trainers we develop, implement and deliver strategies to educate medical device users but do we have the essential skills required?

This *free* workshop facilitated by the London & S.E Namdet region will:

- explore the various courses currently available including PGCE, Award in Education
- the potential for Namdet to develop a higher education module
- great opportunity for people new into MDT roles to meet others and to share experiences

Spaces for 20 NAMDET members; Complimentary unlimited tea, coffee and biscuits

email mary.caddies@nhs.net to book your place.

**(You may also wish to attend our 3 course evening network dinner at the hotel at 7pm.
Book your place for the networking dinner via the NAMDET website)**
