Delegate Information

NAMDET's 2023 conference theme is 'Achieving Compliance' and will look back at where medical device training records began, as well as '*setting the gold standard*' when it comes to training records, compliance, and medical device competencies going forward. Keynote speakers as well as NAMDET members will share their experiences and explain how compliance matters and how to achieve it.

Our popular evening 3-course dinner (14th November) is also available at the Mercure Hotel conference venue and delegates are invited to share the evening with friends, colleagues, and meet new members too.

Conference tickets and prices:

Conference 2023 £65

Conference + Dinner £95

Tickets ONLY available to members; Join NAMDET for free by visiting www.namdet.org
